

LIST OF ERRORS AND CHANGES IN THE YEL REACT APP

• LIST OF ERRORS

1. The Text does not appear on the personal dashboard of the user unless the text is selected

2. When trying to log in as a team member, the page gives an error and does not specify what is causing the error

• LIST OF CHANGES

1. At the footer of the website under Yaaran E Ilm it need to be changed to "Companions in Knowledge" from "Friends in Knowledge"

2. The Team application pages and Tutor application pages need to be more specific when asking the user about them. (e.g what role are they applying for?, how many years of teaching experience, etc. OR a google form link should be given.

Free, always, for every student and tutor.

Tell us about yourself

How would you like to contribute? What skills can you bring?

Join the Team

3. In the Tutors setting page, the option to select rates for sessions needs to be removed

• LIST OF SUGGESTIONS

1. There should be a separate "Meet Our Team" page. Including only the department heads, founders, and a short description for everyone

MEET OUR TEAM

1. We should make an animation when the user visits the student sign-up page. The letter flies in first, and the user has to click on it to open it, and then the letter closes by itself and flies away before revealing the sign up page.
